Knitting the back

Using n. 4,5 needles cast on 74 stitches and work in **Tubular** for 2 rows, then continue in **1x1 Rib** for 11 rows.

Start working in **Reversed Stockinette Stitch** with n. 6,5 needles. Continue with the same number of stitches and the same working up to a total height of 74 cm (29,13 in.), then bind off all stitches.

Knitting left front

Using n. 4,5 needles cast on 43 stitches and work in **Tubular** for 2 rows, then continue in **1x1 Rib** for 11 rows.

Start working in **Reversed Stockinette Stitch** with n. 6,5 needles. To create front edge, work the last stitches of each row in **1x1 Rib** (on purl rows, slip the purl stitches of **1x1 Rib** without working them). For the neckline, at a total height of 46 cm (18,11 in.), decrease inside the 5 stitches of front edge, 1 stitch every 2 rows 16 times. Continue up to a total height of 74 cm (29,13 in.), then bind off all stitches.

Knitting right front

Work as for the left front but in inverse direction. In the right front, we will make the buttonholes. The first is done at a total height of 2 cm (0,78 in.), then the others every 11 cm (4,33 in.), we will

have a total of 5 buttonholes. To make a buttonhole, work 1 pssso and 1 yo inside the first 2 stitches, then work them normally on the next row.

Sleeves

Using n. 4,5 needles cast on 33 stitches and work in **Tubular** for 2 rows, then continue in **1x1 Rib** for 21 rows. Start working in **Reversed Stockinette Stitch** with n. 6,5 needles, increasing 24 stitches during the execution of the first row. After 4 rows, increase 8 stitches on the 5th row. Continue with the same number of stitches and the same working. At a total height of 30 cm (11,81 in.), start decreasing at sides 2 stitches every 7 rows 5 times. At a total height of 60 cm (23,62 in.), bind off all stitches. Make other sleeve as first one.

Finishing

Sew the shoulders, hips, underarms and apply the sleeves. Apply buttons.
